Welcome to IMAGE 2017

the 8th INTERNATIONAL LIVE ENDOSCOPY COURSE
ENDO GLOBAL EVENT

Foreword

For the 8th consecutive year, we are again committed to bring to Milan, Italy the latest international developments in Gastroenterology and Endoscopy. The updated topics include the most innovative developments in diagnostics and their relative clinical management applications as well as the newest therapeutic options available to clinicians worldwide.

We have gathered as expected, an outstanding, world-class International Faculty with experts from around the world who provide the best patient care diagnostic and therapeutic options to our conference participants. These presentations are done with passion and sensitivity while presenting the best science and technology available to all aspects of clinical practice.

Live cases will be presented during the symposia. These cases will demonstrate a number of cutting-edge technologies. Our International Faculty will discuss updated hot-topics in everyday clinical practice ranging from sedation to the management of difficult emergencies in upper and lower GI tract disease.

We are going to be live-connected with 3 of the world's best, most technologically equipped and largest volume endoscopy divisions. We will be inside their rooms, see how they practice and discover endoscopy around the world. After having experienced great success with the feedback related to this educational approach we are further committed to our innovative and ever transforming model of education that we initiated last year as a dynamic, interactive part of our symposia.

Co-directors, endoscopy staff and the entire Humanitas Hospital organization want to give you all a very warm welcome to our city and our meeting.

Thank you for allowing us to share our philosophy of patient care.

Wishing everyone at IMAGE all the very best!

City Tips

Milan is one of the most modern and avant-garde Italian cities. Thanks to its famous museums, theatres, restaurants and landmarks it attracts more than two million visitors yearly.

Among the most famous historical places to see is the **Duomo Cathedral**, a view of The Last Supper by Leonardo da Vinci, the **Castello Sforzesco** and the **Brera Art Gallery**.

Galleria Vittorio Emanuele provides a world-class shopping experience as well as the **Quadrilatero della Moda**.

The amazing **Gae Aulenti Square** is in the new part of the city along with the **Bosco Verticale** (the world's most beautiful and innovative skyscraper). You should also see the **Unicredit Pavilion**.

How to reach HUMANITAS

BY CAR

By highway (Autostrada) follow directions for Tangenziale Ovest (western belt loop). Once on the belt loop take exit 7A - Quinto de Stampi / Via dei Missaglia. Take exit to the roundabout and continue towards Rozzano (the third exit). Continue straight for about 2 kms. following the signs for Istituto Clinico Humanitas. The hospital has six carparks available for a fee. Tickets can be paid directly to the automatic machines.

BY TAXI

From any place in the city you tell the driver you wish to go to the Congress Center for the Humanitas Research Hospital, Rozzano, Milano.

BY PUBLIC TRANSPORT

• Humanitas Shuttle Bus

It leaves every 20 minutes from the bus stop Piazza Abbiategrasso M2 in Milan. It is a private service so you have to buy your tickets on the bus - ATM tickets not valid

• Line 230 and Line 221

They leave from the bus stop (Piazza Abbiategrasso M2 in Milan) at a fixed timetable found on www.humanitas.it.

	Distance	Time
Linate airport	20 km	15 min
Malpensa airport	45 km	40 min
Central station	15 km	30 min
Rogoredo station	20 km	20 min

Approximate times and distances necessary to reach Humanitas from some strategic points of the city

The congress provides a reserved shuttle bus from/to the Meeting Venue and the Partner Hotel, with a fixed timetable - AVAILABLE ONLY ON REQUEST.
